

BOARD OF ALDERMEN MEETING
Kearney City Hall 100 East Washington
6:30 p.m., Monday, March 5, 2018

PLANNED AGENDA

1. CALL TO ORDER/ROLL CALL/PLEDGE OF ALLEGIANCE

2. CONSENT AGENDA

- C-1 Authorize Purchase of Two Dodge Charger Police Cars, \$23,126 Each LOW Bid Landmark Dodge
- C-2 Nuts and Bolts Renewal of Temporary Structure Permit for Tents
- C-3 Authorize Purchase of 4 Ipods and 1 Ipad for Amphitheater Gate Ticketing, Total \$1,027.95
- C-4 Authorize MARC Orthophotography and Lidar for City, \$2,800

3. MAYOR'S REMARKS

- A. Recognition of Kearney Wrestling Squad for Taking 1st in State, and recognition of individual medal winners
 - 1. Approval of Resolution Congratulating the Wrestling Squad
 - 2. Approval of Resolution Congratulating Clay Singh for his 4th Consecutive State Championship

4. ADMINISTRATOR'S REPORT

- A. Presentation of Fy2019 Budget Request

5. PUBLIC REQUESTS & PETITIONS

- A. Mike Williams, Gardner Capital, Consider Resolution of Full Support of a Senior Citizen Complex proposal located on North Grove Terrace, Brown property and City lagoon property

6. PUBLIC HEARINGS

7. OLD BUSINESS

- A.

8. NEW BUSINESS

- A. Presentation of Proposed Building Permit Plot Plan Ordinance

9. ALDERMEN DISCUSSION

10. EXECUTIVE SESSION Real Estate Matters and Personnel Matters

Consider Motion to go into closed session pursuant to RSMo 610.021 (2) & (3) to discuss real estate matters and personnel matters.

11. ADJOURNMENT

ENCLOSURES

Agenda w/Meeting Notes

2A. Minutes, Board of Aldermen, February 20th

2B. Bills

CONSENT AGENDA ITEMS

C-1 Bid Tag Relative to Purchase of Two Dodge Charger Police Cars, \$23,126 Ea LOW Bid Landmark Dodge
C-2 Chris Lowery E-mail request Nuts and Bolts Renewal of Temporary Structure Permit for Tents
C-3 Marcotte Memo on Purchase of 4 iPods and 1 iPad for Amphitheater Gate Ticketing, Total \$1,027.95
C-4 Pavlich Memo Concerning MARC Orthophotography and Lidar for City, \$2,800

3A.1. Proposed Resolution Congratulating the Wrestling Squad
2. Proposed Resolution Congratulating Clay Singh for his 4th Consecutive State Championship
3. KC News Articles on the State Championship and on Clay Singh

4A. Fy2019 Budget Request (Separate Document)

5A. Gardner Capital Resolution of Full Support of a Senior Citizen Complex proposal located on North Grove Terrace, Brown property and City lagoon property

8A. Proposed Building Permit Plot Plan Ordinance

MISCELLANEOUS CORRESPONDENCE

1. Ken & Judy Fry Easement Letter
2. Email to District #6 Relative to West Creek Sewer and Fry Voluntary Annexation
3. Consentino Thank You letter for \$3000 donation to Kearney Community Foundation
4. Kearney R-1 School District Support Resolution for I35 and 19th Interchange Project
5. Fire District Support Resolution for I35 and 19th Interchange Project
6. Letter Concerning CK Scribbs event involving Liquor, March 17th (No City License Classification for such events—State License will be obtained)
7. Letters to Elected Officials Opposing Bigger Truck Legislation
8. Bids on Surplus Trucks: 9 Bids on 2004 1/2T Chevy \$2,275, 14 bids on 3/4T Chevy \$2,781

REPORTS

1. Calendar, February, March
2. Police Reports, February 12th to Feb 17th
3. Water Plant Report, February

Next Meeting: The next regular Board meeting will be Tuesday, March 19th, at 6:30 p.m., Kearney City Hall, 100 East Washington Street.

2 CONSENT AGENDA The Consent Agenda permits several items to be reviewed and approved by one motion in order to expedite the meeting. The following items are being submitted for Board approval:

- 2A. Board Meeting Minutes, February 20th
- 2B. Bills Presented for Payment

CONSENT AGENDA ITEMS SUBMITTED FOR APPROVAL

C-1 Authorize Purchase of Two Dodge Charger Police Cars, \$23,126 Each LOW Bid Landmark Dodge Enclosed is a bid tab of Patrol Cars available for purchase on State Bid prices—Chief Carey recommends the purchase of two Dodge Charger Patrol Cars, based on the Missouri State Highway Patrol Bid at Landmark Dodge at \$23,126 each X 2 is \$46,252.

Approval is recommended.

C-2 Nuts and Bolts Renewal of Temporary Structure Permit for Tents Enclosed in C-2 is an email request from Manager Chris Lowery to erect a temporary structure at Nuts and Bolts, the same as last year, with a modification in location as recommended by David Pavlich.

Approval is recommended.

C-3 Authorize Purchase of 4 Ipods and 1 Ipad for Amphitheater Gate Ticketing, Total \$1,027.95 Enclosed in C-3 is a memo from Ryan Marcotte recommending the purchase of 4 ipods and 1 ipad for amphitheater gate ticketing—we are moving to an new ticket selling site which will allow us to interface directly with the web site. Cost of the 4 ipods and ipad is a total of \$1,027.95. We are excited about this new and recommend approval.

C-4 Authorize MARC Orthophotography and Lidar for City, \$2,800 Enclosed is a memo from David Pavlich recommending the City commit to Kearney's share of the MARC orthophotography and lidar mapping of Kearney—Kearney's share is \$2800. Approval is recommended.

MAYOR'S REPORT

3A Kearney High School Wrestling Squad—1st Place in State Tournament Congratulations to Coach Jacob Hill and the Kearney High School Wrestling Squad for winning 1st Place in the State Tournament. Nine wrestlers qualified and nine wrestlers medaled! Outstanding!

Kearney High School Wrestling Coaching Staff:

Jacob Hill—Head Coach

Nick Ward

Caleb Dixon

Bryant Hummel

Robert Shadrach

Luke Evjen

Mike Casey

Freshman Garrett Deason 4th Place (106)

Junior James Freitag 4th Place (113)

Sophomore Devan Lewis 3rd Place (132)

Sophomore Caden Green 5th Place (138)

Sophomore Coby Aebersold 2nd Place (145)

Senior Ethan Locke, 3rd Place (160)

Junior Matthew Witthar 4th Place (170)

Junior Chopper Mordecai, 2nd Place (195)

Senior Clay Singh 1st Place (120)—his 4th 1st Place Title, joining an exclusive group of 26 other 4-time Missouri State Champs

Congratulations to all the Coaching Staff, the entire wrestling team, and their parents for contributing their time and efforts in attaining this outstanding achievement. You make Kearney proud.

4A Presentation of Fy2019 Budget Request A summary review will be given on the Fy2019 Budget request—accompanying the agenda as a separate document.

5A Mike Williams, Gardner Capital, Consider Resolution of Full Support of a Senior Citizen Complex proposal located on North Grove Terrace, Brown property and City lagoon property Mike Williams has secured a contract with Jim Brown for property on North Grove Terrace and proposes to contract with the City for 5.5 acres of the old lagoon property east of Fairview Cemetery.

Both of these properties are zoned for multi-family development, and we are excited about the opportunity this will give the City to provide public access to the remainder of the 22 acres lagoon property—having a long history for being developed as a park, but never having good access.

Enclosed in 5A is a proposed resolution of support he is seeking, along with a conceptual development plan. Gardner intends to submit the Kearney project to the Missouri Development Housing Authority for approval in this Spring's annual competition for tax credits.

8A Presentation of Proposed Building Permit Plot Plan Ordinance Enclosed is a proposed ordinance concerning building permit plot plan requirements modeled after Lee's Summit requirements—their focus, and ours, is to get the builders to be thinking about lot drainage at the very start of each project.

This is only a presentation—the proposed ordinance will be circulated with the builders and developers for review and comment.

10. EXECUTIVE SESSION Real Estate Matters and Personnel Matters

Consider Motion to go into closed session pursuant to RSMo 610.021 (2) & (3) to discuss real estate matters and personnel matters.

February 20, 2018

The Board of Aldermen, City of Kearney, Missouri, met in regular session at Kearney City Hall, 100 East Washington, February 20, 2018 at 6:30 P.M. with Mayor Dane presiding. Members present were Dan Holt, Marie Steiner, Eric Shumate and Gerri Spencer. Staff members were Jim Eldridge, David Pavlich, Jay Bettis and Shirley Zimmerman.

Mayor Dane opened the meeting with the Pledge of Allegiance.

AMEND AGENDA A motion was made by Alderman Holt and seconded by Alderman Spencer to amend the Agenda to include a contract with Trekk Engineering to design drainage improvements at East 92 Highway. The motion carried unanimously.

CONSENT AGENDA The following items were submitted for the Board of Aldermen to approve:

- Minutes for the February 5, 2018 meeting
- Bills presented for payment
- C-1 Budget Amendment Increasing Street Maintenance to Amount Actually Contracted and Authorized, \$115,000
- C-2 Hampton Plumbing, Inc., \$13,161 Installation of New City Hall Sanitary Lift Pumps
- C-3 Budget Amendment Increasing City Hall Building Maintenance \$10,500 for Uncovered Flood Costs
- **Resolution No. 03-2018** C-4 Transystems Work Authorization to Prepare STP Applications for Nation Road and 19th Street, \$4,600
- **Resolution No. 04-2018** C-5 Microcomm Telemetry System Service Contract Annual Renewal, \$5,500
- **Resolution No. 05-2018** C-6 Authorize Jayhawk Millwright to replace Water Plant Lime Elevator, \$38,775
- C-7 Budget Amendment Creating Line Item for Clear Creek Bridge Engineering, No Increase in Budget
- C-8 Authorize Midwest Tinting to place UV tinting on Museum windows, Low Bid \$1,661.38
- C-9 KC Auction and Appraisal Company, \$1,050, Inspection & research of 10 Museum items
- **Resolution No. 06-2018** Engineering Services Contract with Trekk Engineering to design drainage improvements at East 92 Hwy drainage

Alderman Shumate asked what STP stands for in C-4. Staff said it is Surface Transportation Program.

A motion was made by Alderman Holt and seconded by Alderman Shumate to approve the Consent Agenda as presented. The motion carried unanimously.

MAYOR'S REMARKS

INTERCHANGE PROJECT Mayor Dane said he wants everyone to help get the word out in regard to the I-35 and 19th Street interchange. He said he has spoke to the Fire District, the Ministerial Alliance, the School District and been on the noon radio show.

Mayor Dane said we will be holding four public meetings on Thursday, March 8th at noon, March 15th at 6 PM, March 22nd at noon and March 29th at 6 PM. He said we need to get the word out about these meetings. He said this is the biggest project in the City since I-35 originally came through the City.

Mayor Dane said they have been conducting a poll of registered voters. He said we need 57 percent for the bond and 52 percent for the sales tax. He said the poll is 60 percent in favor. If you bring up advantages for safety, school bus transportation and fire department response time it jumps to 68 percent.

ADMINISTRATOR'S REPORT

TREKK ENGINEERING Staff said the contract approved in Consent Agenda for Trekk Engineering is to improve drainage issues at Marguerite and 92 Highway. This will take the water across 92 Highway from Marguerite to Hedgerow Circle.

Staff said the State will put a large pipe under 92 Highway. This project will improve the conditions in the neighborhood and have a positive impact on the sidewalk project along 92 Highway.

PUBLIC REQUESTS & PETITIONS

FINAL PLAT NOAH'S LANDING Bill No. 04-2018, an ordinance approving the **ORDINANCE NO. 1359A-2018** Final Plat of Noah's Landing 1st Plat, a single family subdivision, was presented and read by Title only.

Staff reported this property is being developed by Robertson Properties. It is a 30 lot, single family subdivision located on a 40 acre track located East of Geneva, South of 10th Street, North of Southbrook Parkway and West of Susan Street.

The Planning and Zoning Commission unanimously approved the project at their February 12th meeting.

David Pavlich said there is a small sliver of land that is between this subdivision and Marimack Farms that appears to not belong to anyone. This may affect the way the storm water pipes are connected into.

Alderman Shumate said the Planning and Zoning Commission did question how shallow the sewer is on the south end and the stormwater will be in two cells with the sanitary sewer in the middle.

FINAL PLAT NOAH'S LANDING-CONT Alderman Steiner said she was concerned **ORDINANCE NO. 1359A-2018** about the stormwater issues and could we not have more homes with flooding. Staff said this will all drain into ponds.

Alderman Spencer asked if that is the detention pond in the Southeast corner. Bob Parks, engineer said the drainage from the North and East will come in pipes to the detention pond.

Alderman Shumate said he would like to encourage Staff to look at lots before final grade.

Jay Bettis, Director Streets/Utilities, said there is suppose to be an inspection for final grade before sod is laid. He said this will help with water issues.

Mayor Dane said Staff had a meeting with builders and sixteen attended the meeting. These procedures were gone over with them and they were satisfied with it.

Jay Bettis, said when we had Dan Miller, City engineer here looking at water issues he highly recommended the final grade inspection before sod.

David Pavlich said there will be some lots in this subdivision with a swale between the houses to keep water away from the homes.

Mayor Dane asked how building permits are handled now. David Pavlich said we now have the on line system working. They can request inspections also from that site. They get email notification and text when inspections are done and results.

Jay Bettis said we can now document everything. He said he can mark where water valves, hydrants, etc are on a lot and that will be visible to the builder. It will now take two signatures before a Certificate of Occupancy is issued. He said we received no complaints from the builders about the process.

A motion was made by Alderman Shumate and seconded by Alderman Steiner to approve the ordinance as read on the first reading. The motion carried unanimously.

A motion was made by Alderman Holt and seconded by Alderman Spencer to place Bill No.04-2018 on its second and final reading. Said Bill was thereupon read and considered and was duly passed by the following roll call vote: Voting for the Motion: Holt, Steiner, Spencer and Shumate. Voting against: None. The motion carried by a vote of four to zero. The Bill was then duly number **Ordinance No. 1359A-2018**.

SPACING FOR CHANGEABLE COPY BILLBOARDS Bill No. 05-2018, an **ORDINANCE NO. 1360-2018** ordinance amending the Zoning Ordinance related to minimum spacing between changeable message billboards, was presented and read by Title only.

SPACING FOR CHANGEABLE COPY BILLBOARDS Staff said the proposed **ORDINANCE NO. 1360-2018** ordinance will amend the City's sign code within the Zoning Ordinance to reflect MoDOT current standards of 1,400 feet minimum spacing for changeable copy billboards. The City's current minimum is 2,000 feet.

At their February 12th meeting, the Planning and Zoning Commission unanimously recommended approval.

Alderman Shumate said everyone felt it is easier to be in line with the MoDOT standards.

The floor was opened to the public.

There being no comments from the public, the floor was closed.

A motion was made by Alderman Spencer and seconded by Alderman Steiner to approve the ordinance as read on the first reading. The motion carried unanimously.

A motion was made by Alderman Holt and seconded by Alderman Shumate to place Bill No. 05-2018 on its second and final reading. Said Bill was thereupon read and considered and was duly passed by the following roll call vote: Voting for the Motion: Holt, Steiner, Spencer and Shumate. Voting against: None. The motion carried by a vote of four to zero. The Bill was then duly number **Ordinance No. 1360-2018**.

ADJOURNMENT There being no further business on the agenda, a motion was made by Alderman Holt and seconded by Alderman Spencer to adjourn. The motion carried unanimously.

The following bills were presented for payment at the February 20, 2018 meeting:

MEMO

Date: March 5, 2018
To: Honorable Mayor Dane
Board of Aldermen Members
Jim Eldridge, Kearney City Administrator

From: Ryan Marcotte

Re: New ticketing provider, Ipad & Ipod Touch for amphitheater ticket gate

We're pleased to announce we are now working with TicketSpice as our official ticketing provider for Kearney Amphitheater. Doing this provides us with an advanced analytics & reporting platform, more efficient ticket scanning at the gate, and most of all an easier checkout experience for the customer. We are under no contracts to TicketSpice, and their fee is \$0.99 per ticket. We're adding an additional 5% fee per ticket to cover credit card processing fees. Dale Ahle has graciously agreed to stay on as our overall webmaster, and to work with TicketSpice.

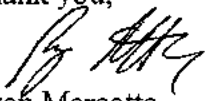

TicketSpice requires us to provide our own ticket scanners and on-site registers, which work on the Apple IOS operating system. We will need 4 Ipod Touches for ticket scanners, and 1 Ipad for the on-site register.

I recommend the low bid of \$186.99ea from Best Buy for a total of \$747.96 for 4 Ipod (6th Gen.) 32gb

I also recommend the low bid of \$279.99 from Amazon.com for 1 Ipad (2017 Model) 32gb

I will be in attendance if you have any questions.

Thank you,

Ryan Marcotte
Assistant Director, Parks & Recreation

David,

Every two years MARC helps to coordinate a KC Regional Imagery Acquisition. As in previous efforts we used a cross-section of jurisdictions from the region to create a 2018 Imagery Workgroup. The workgroup assisted in putting together requirements, finalizing an RFP and evaluating vendor responses. I am pleased to report that vendors for an Ortho Imagery and Lidar product have been selected and we are finalizing contracts.

Total 2800[±] mappings for Kearney

David,

Every two years MARC helps to coordinate a KC Regional Imagery Acquisition. As in previous efforts we used a cross-section of jurisdictions from the region to create a 2018 Imagery Workgroup. The workgroup assisted in putting together requirements, finalizing an RFP and evaluating vendor responses. I am pleased to report that vendors for an Ortho Imagery and Lidar product have been selected and we are finalizing contracts.

Orthos:

In late winter-early spring of 2018, Surdex will acquire the regional ortho imagery, 6" resolution, for areas in both Kansas and Missouri. (map attached).

Lidar:

For some Kansas counties, Lidar is being acquired through the Kansas Dept. of Agriculture. On the Missouri side, Kucera International will be capturing Lidar for areas in Platte, Clay and Cass Counties. The Lidar product is being flown in the March as well to acquire data during a similar timeframe. Below, I have included some of the reasons cities in the region are getting Lidar data. The cost for Kearney for both products are listed below. I have tried to arrive at a not to exceed amount. As in previous years, as more participants sign-on the cost historically goes down. If you have any questions, about either product, please let me know.

Reasons for getting Lidar

Public Works - Stormwater

- 2' ft contour generation
- Manholes elevations.
- Catch Basins, would have high return success for elevations.

- 
- Diversion Overflows and all Separate Storm Outfalls could estimate an outfall invert.
 - Raster Terrain Data, which can develop flow path, flow accumulation, slope, sumps, aspect
 - TIN Data which can develop flow path, triangle based slopes, flow lines
 - Impervious Change Tracking
 - Identification of Vegetation and Soil Forest, roughness, infiltration, runoff rates to be determined for the given cell/TIN of surface area.

Also, remember that by owning this data, you are able to give to your contractors doing work for the city, share with developers, share between departments in Kearney.

COST

-
13 Sq. miles m/l

Ortho Imagery: \$1,050.00

Lidar: \$1,750.00

Please reply to this email to let me know if you would like to participate in Imagery and/or Lidar.

1. **Yes we are in for Imagery**
2. **Yes we are in for Lidar**
3. **Need more information for Imagery**
4. **Need more Information for Lidar**
5. **No for Imagery**
6. **No for Lidar**

Thank you,

Jay

3A.1

RESOLUTION NO. 7-2018

A RESOLUTION CONGRATULATING THE 2018 KEARNEY HIGH SCHOOL WRESTLING TEAM, HEAD COACH JACOB HILL, HIS COACHING STAFF AS STATE CHAMPIONS AT THE MISSOURI CLASS 3 STATE WRESTLING TOURNAMENT

WHEREAS, The Kearney High School Wrestling Team completed its 2018 season as District and State Champions in the Class 3 Missouri wrestling tournament, and

WHEREAS, such an achievement requires complete mental and physical dedication, and year round time devoted to nutrition, conditioning and training, along with outstanding wrestling ability by each wrestler, and

WHEREAS, becoming Champions in a State championship tournament requires careful planning, training and extra-ordinary tournament scheduling provided by Head Coach Jacob Hill and his coaching staff, and

WHEREAS, The Kearney High School Wrestling Team had nine individuals as State Qualifiers, with ALL nine placing...Freshman Garrett Deason 4th Place, Junior James Freitag 4th Place, Sophomore Devan Lewis 3rd Place, Sophomore Caden Green 5th Place, Sophomore Coby Aebersold 2nd Place, Junior Matthew Witthar 4th Place, Junior Chopper Mordecai 2nd Place, Senior Ethan Locke 3rd Place, & Senior Clay Singh 120# State Champion...now a Missouri 4X State Champion, and

WHEREAS, Becoming TEAM champions in State competition increases school spirit and community mindedness.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Board of Aldermen:

The City of Kearney does hereby congratulate the 2018 State Champion Kearney High School Wrestling Team, Head Coach Jacob Hill and his coaching staff, in the 2018 Class 3 Missouri State Tournament.

Kearney wrestles to Class 3 state title behind total team effort

BY DAVE MCQUEEN DMCQUEEN@KCSTAR.COM

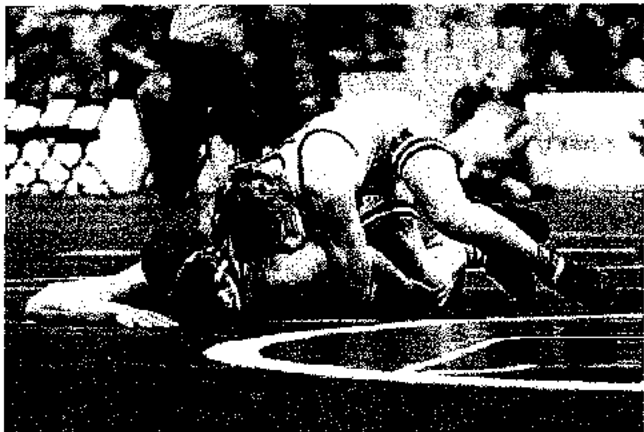

DEVIN KANE Special to The Star

Kearney's Clayton Singh celebrated his fourth state title Feb. 17 after defeating Grain Valley's Trent Starr in the 120-pound championship match during the Missouri Class 3 wrestling championships at Mizzou Arena in Columbia. Singh became the 27th wrestler in state history to win four state titles.

DEVIN KANE Special to The Star

Platte County's Cody Phippen, left, squared off against Grain Valley's Caleb Benshoof in the 126-pound final during the Missouri Class 3 state wrestling tournament. Phippen beat Benshoof for his third state title.

DEVIN KANE Special to The Star
Park Hill's Josh Steele, top, controlled Francis Howell Central's Corey Wait in the 145-pound title match during the Missouri Class 4 state wrestling tournament. Steele won the championship with a 14-6 major decision.

COLUMBIA

The victory lap started early for Kearney, earlier than the final point total would indicate.

While the margin was still razor-thin ahead of second-place Neosho, Bulldogs coach Jake Hill knew the Missouri Class 3 state wrestling team championship would be theirs after senior Clayton Singh's historic victory in the 120-pound final.

After Neosho's Trenton Young won the 132-pound title on a decision, Kearney and its large throng of loud fans could begin the celebration inside Mizzou Arena. The Bulldogs won their fourth team championship Feb. 17 with 161 points with Neosho finishing a mere 2 1/2 points back at 158.5.

"The last half of the round we essentially knew and we were just hanging on to make sure," Hill said. "It was a total team effort. Take nine guys down and nine guys medal. That's the only way it happens by 2 1/2 points."

Singh was the only one of Kearney's nine wrestlers to win an individual championship, though two other Bulldogs reach the title match and he made

championship, though two other Bulldogs reach the title match, and he made history in the process.

When Singh pinned Grain Valley's Trent Starr in 58 seconds for his crown, he became the 27th wrestler in Missouri history to win four state titles and the first of five to notch their fourth state title that night.

It also gave Kearney a more comfortable margin in the team race. Going into the final day, the Bulldog owned a half-point advantage on the defending champs from Neosho, the 2017 winner and co-champion with Kearney in 2013.

"For him to come out and do both those things in one night is unbelievable," Hill said. "The other guys came out and competed. We just got outwrestled in both matches."

The Bulldogs' other two finalists — Coby Aebersold and Brett Mordecai — lost close matches with Smith-ville's two finalists. Aebersold lost a 6-2 decision against Trentin Hampton in the 145 final, while Mordecai lost a 4-2 decision against Brian Boyd for the 195 crown.

But Kearney's depth was impressive led by Devan Lewis (132) and Ethan Locke (160), who both placed third, Garrett Deason (106), James Freitag (113) and Matthew Witthar (170) took fourth and Caden Green (138) wrestled to fifth.

The Bulldogs' 161 points mark the most in program history during a state tournament.

The future also looks bright with everyone except Singh and Locke returning, so Hill's already hoping for a repeat performance next season.

"We'll be right back competing for another trophy for sure next year," he said.

PIRATES SNAG TWO TITLES

Platte County also brought home a Class 3 team trophy after placing third with 110.5 points.

Senior Cody Phippen ended his Pirates career as a three-time state champion, beating Grain Valley's Caleb Benshoof in the 126 final on a 9-1 major decision.

Platte County got another championship from Sage Smart, who pinned

Harrisonville's Nick Kruse for the 220 crown.

TROJANS WIND UP AS RUNNERS-UP

Park Hill finished second to Christian Brothers College from St. Louis in the Class 4 team standings.

CBC scored 155.5 points in edging the Trojans, who totaled 142 points, for the title.

Josh Steele won a title at 145 and Devin Winston placed second at 182 for Park Hill.

Staley, last year's Class 4 team champion, finished third with 118 points.

Zach Elam capped a perfect season with a pin in the 220 final, finishing 53-0 overall, while Khyler Brewer (113) and Blake Berryman (138) both finished second.

Kearney's Singh captures his fourth Missouri state title

BY DAVE MCQUEEN dmcqueen@kcstar.com

DEVIN KANE Special to
The Star

Kearney's Clayton Singh celebrated after winning his fourth consecutive state title on Saturday night.

COLUMBIA

An electric signboard over the southeast entryway to the Mizzou Area floor clearly marked where wrestlers and coaches were supposed to exit after their matches. Kearney's Clayton Singh took a detour after making some history Saturday night.

Singh became the 27th wrestler in the history of the Missouri state tournament to win four championships when he pinned Grain Valley's Trent Starr in the Class 3 120-pound final. Instead of heading for the exit, Singh headed up into the bleachers and into the large gathering of Kearney faithful just above the mat.

It was how he intended to savor the moment if it came.

"I planned that out," Singh said. "I've got to go see my momma. She's the best thing in my life."

He hugged and was hugged by most of the Bulldogs' fans before he made his way back down on the floor. Singh's time with the fans lasted considerably longer than his time on the mat.

Singh, who had just wrestled and beaten Starr the week before in the district tournament, scored a take-down seconds into the match and never let up. He quickly had Starr on his back and finished the pin with just over a minute left in the first period.

This is the second straight year a four-year champion has been crowned at state. Oak Grove's Conner Brown completed the feat last year.

And Singh is not the only one to do it this year. Whitfield's Michael McAteer became the 28th four-time champion when he won the Class 1 126-pound title shortly after Singh's match. Malik Johnson of Christian Brothers College became No. 29 with his Class 4 126-pound crown.

Nos. 30 and 31 came from Father Tolton Catholic: Brock Mauller (Class 1

152) and Jarrett Jaques (Class 1 160).

A THREE-TIME CHAMP

Cody Phippen of Platte County became a three-time state champion when he claimed the Class 3 126-pound title.

Phippen, a senior, won a 9-1 major decision over Caleb Benshoof of Grain Valley and finished the year 53-3.

A PERFECT CHAMPION

Jeremiah Reno of Liberty won a state title as a freshman. This year, he finished as a perfect champion.

Reno capped a 43-0 season with an 11-3 major decision over Blue Springs' Kobin Shepherd in the Class 4 106-pound final.

BELTON THREE FOR THREE

Belton had never had a two-time state wrestling champion before. Now it has two.

Andrew Gamble and Robert Weber became two time champs in back-to-back matches. Gamble needed a takedown to score a 3-1 sudden victory over Jarrett Villinger of Warrenton in the Class 3 160 final. Weber made quick work of James Anding of Pacific in the 170 final, winning with a first-round pin.

Gamble and Weber ended a three-for-three championship round for the Pirates. Joe Biondo won a 4-2 decision over Pacific's Ben Courtney in the Class 3 152 title.

OTHER LOCAL CHAMPIONS

A Smithville's Ryan Hampton won the Class 3 145-pound championship. Hampton, a sophomore, won a 6-2 decision over Kearney's Coby Aebersold in the final.

A Park Hill's Josh Steele won the Class 4 145-pound champion. Steele beat Corey Wait of Francis Howell Central 14-6 for the title.

A Blue Springs' Bret Heil won the Class 4 160-pound title with a 2-1 decision over Greyden Penner of Liberty.

A Smithville's Brian Boyd won the Class 3 195-pound title with a 4-2 decision over Brett Mordecai of Kearney.

Re: MHDC Tax Credit Application
50 Unit, 1 and 2 Bedroom Senior Apartment Community
Kearney, Missouri

Dear Mayor Dane:

Gardner Capital Development is proposing to develop an affordable housing community located off Lawrence Street and Grove Terrace in Kearney, Missouri called The Reserves at Grove Terrace. The project offers a unique opportunity to provide affordable housing for seniors at a unique location poised for development and growth. The project will be funded using low-income housing tax credits. We are submitting an application to the Missouri Housing Development Commission (MHDC) for an affordable housing development that will target income-qualifying residents with incomes at or below 60% of the area median income. Units will be designed with open and accessible floor plans and sustainable exterior elevations for an attractive community. Monthly rent levels are estimated to be approximately \$409-\$780 serving the 1 and 2 bedroom needs for residents making less than 40% through 60% AMI.

As part of our requirements for the housing tax credit application, we must officially notify you of the development. **In addition to your notification, we would like to request a letter of support from you.** I plan to include a copy of your support letter with the application that will be sent to MHDC. I am enclosing for your review an example letter of support should it be helpful. If you would like more information on our development organization or our award-winning portfolio, please call or email. Ensuring we are working with the city and area representatives to realize the housing objectives that are needed is the foundation that the integrity of our company is committed to. Your support is not only an essential element but is greatly appreciated as we move forward with this much anticipated project.

I'm sending this letter certified mail as a requirement of the MHDC application process. If you have any questions or wish to discuss this project in further detail, please feel free to contact me at (417) 825-7805. Please mail the original letter to our offices, not MHDC, and I will include it as part of our complete application submission to them to ensure it is included in their review. Please mail to:

Gardner Capital

Re: Housing Tax Credit Application,
The Reserves at Grove Terrace, Kearney, MO
50-unit, senior complex

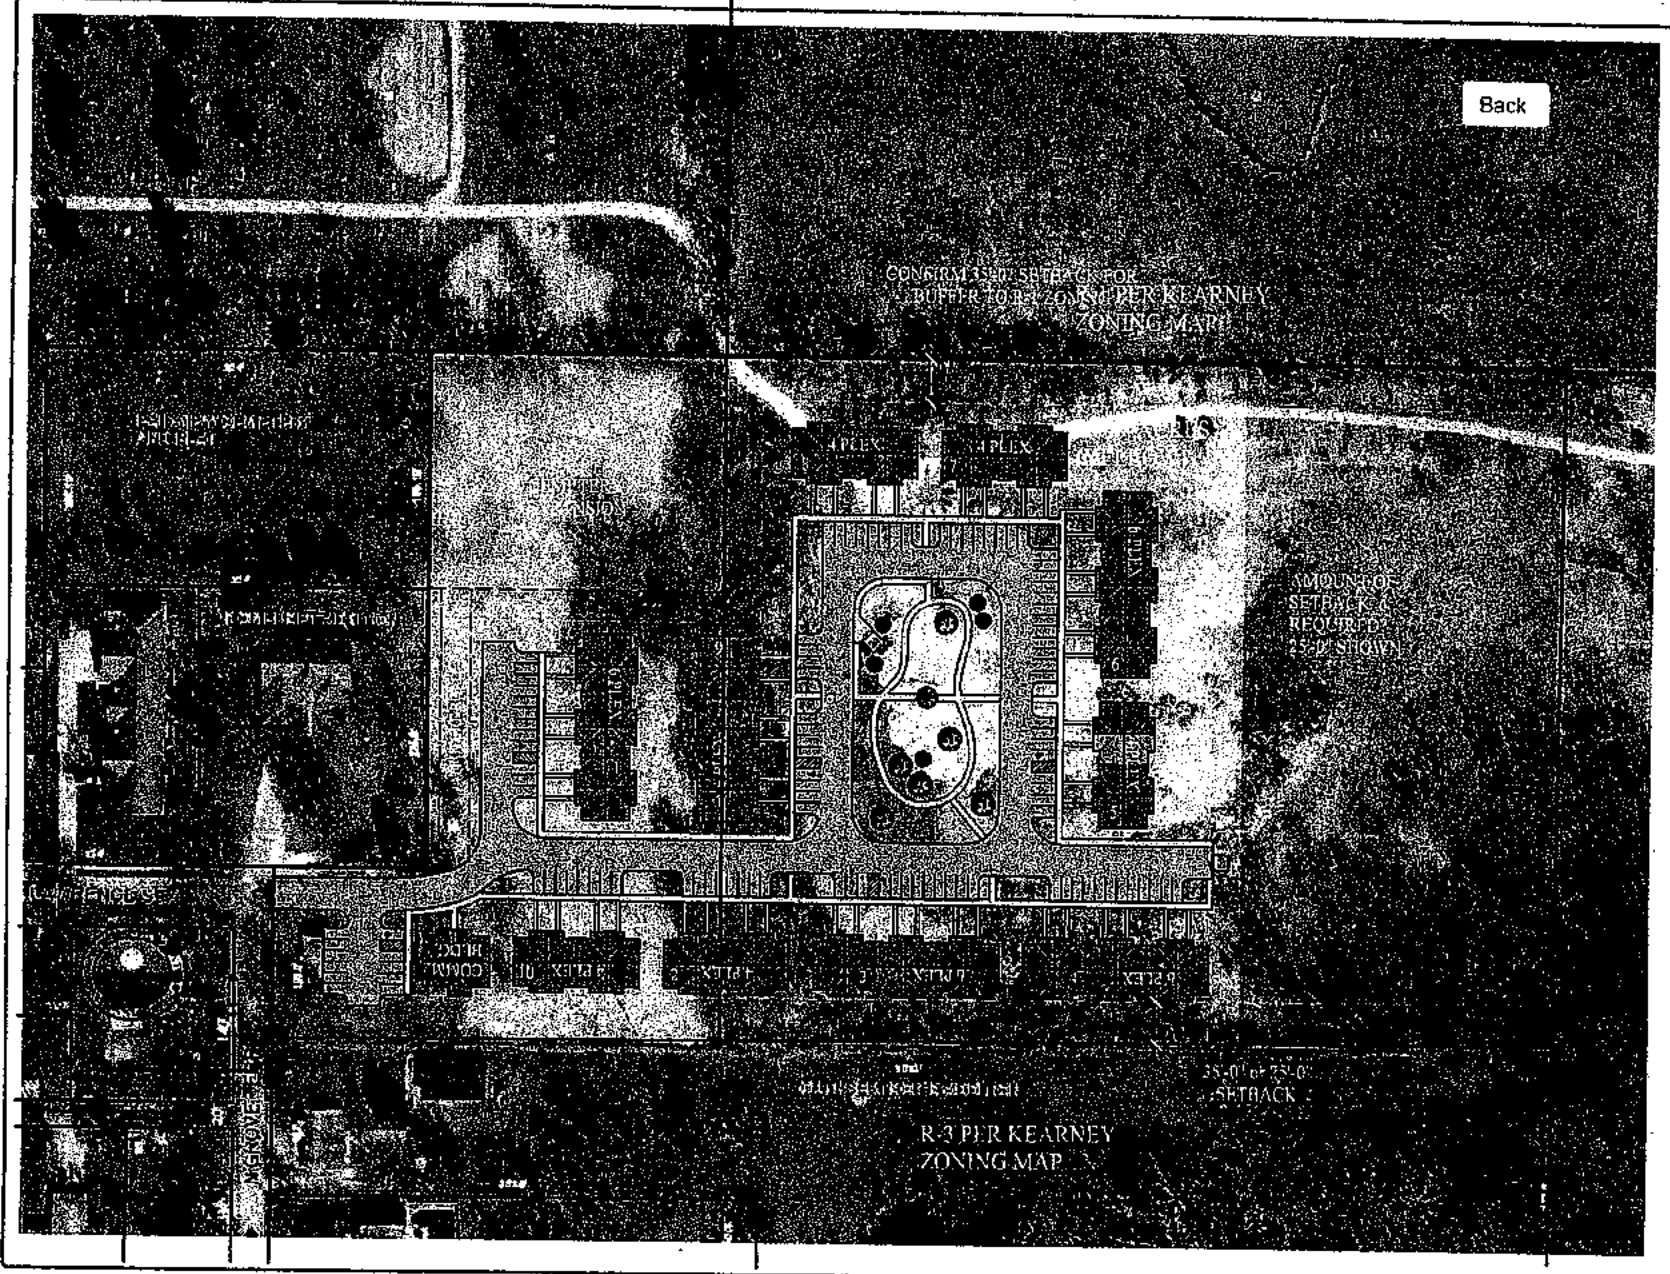

I am writing this in support of Gardner Capital and their application with the Missouri Housing Development Commission for an affordable housing development in Kearney, MO. This development will target income qualifying seniors with incomes between 40% and 60% of the area median income in the Kearney area. This project will encompass 50 units with a mix of 1 and 2 bedrooms. Units will be designed with modern floor plans and sustainable exterior elevations an attractive and safe community.

Monthly rent levels are estimated to be approximately \$409-\$780, serving the 1 and 2 bedroom needs of the 60% and under AMI residents. By partnering with an experienced developer committed to economic development efforts of the city, this proposal will become a cornerstone towards development more future development the Kearney, Missouri area.

Therefore, I appreciate your serious consideration of this tax credit request. Thank you for your support of Kearney and its housing needs.

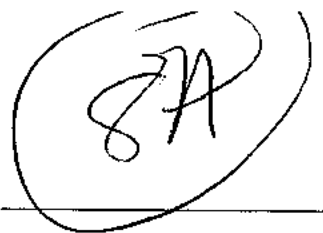

Best regards,

Back

BILL NO. _____

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING ORDINANCE RELATED TO BUILDING PERMIT PLOT PLAN CONTENT REQUIREMENTS

WHEREAS, the residential development process includes construction of various improvements in accordance with approved engineering plans that can include storm sewer, swales, and other drainage facilities, in addition to streets, water lines, and sanitary lines;

WHEREAS, lot construction can impact the subdivision's storm drainage patterns and improvements, and adjacent and nearby properties; and

WHEREAS, plot plan drawings are required as part of building permit applications for single-family and two-family residential development to identify proposed lot improvements;

WHEREAS, residential lot construction and needs to account for surrounding site conditions, drainage patterns, and contemplated storm drainage swales and other related improvements as identified on the engineering plans.

NOW THEREFORE BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF KEARNEY, MISSOURI, AS FOLLOWS:

Section 1. Title IV, Chapter 405, Section 405.090.C.2.b.(1) of the Zoning Ordinance of the City of Kearney is hereby amended to the following:

- (1) *New one- and two-family structures.* An application for single-family and duplex building permits shall include a plot plan of the site to be built upon. The plot plan shall be sealed by a land surveyor licensed in the State of Missouri. The following information must be shown on the plot plan and will be reviewed prior to the issuance of a building permit:
 - (a). Complete legal description and lot dimensions of the site.
 - (b). Scale of the drawing (not to exceed one (1) inch equals thirty (30) feet).
 - (c). Location and complete dimensions of the proposed building foundation, including dimensions to all property lines (dimensions shall be perpendicular to the property line). All front, side and rear yards, setbacks and building lines must be shown.
 - (d). If any portion of the site is located within the FEMA 100-year floodplain, the elevation of the low opening must be shown.
 - (e). **The locations of easements, both public and private size and location of all new construction and all existing structures on the site including but not limited to public or private easements, distances from lot lines, established street grades, existing and proposed finished grades, drainage swales and proposed storm water drainage flow patterns for the site;**
 - (f). **Flow patterns for areas five (5) feet adjacent to property lines of the site;**
 - (g). **Proposed finished grades and storm water drainage flow patterns for the site shall conform to the Master Drainage Plan for the development unless otherwise approved by the Building Official;**
 - (h). **All decks, balconies, overhangs, or other building protrusions shall be indicated and dimensioned.**

- (i). In the case of partial demolitions, the *plot* plan shall show all construction to be demolished and the location and size of all existing structures and construction that are to remain on the site of the *plot*.
- (j). (⊕) Additional information as may be required to properly review the proposed plot plan. **The Building Official is authorized to waive or modify the requirement for a plot plan when the application for permit is for alteration or repair and does not affect the exterior features of the building.**

Section 2. This ordinance shall be in full force and effect from and after its passage by the Board of Aldermen of the City of Kearney and approval by the Mayor.

ADOPTED AND APPROVED BY THE MAYOR AND BOARD OF ALDERMEN, CITY OF KEARNEY, MISSOURI, THIS _____ DAY OF _____, 2018.

APPROVED:

SECTION 405.090 PERMITS.

[Ord. No. 1101-2008 §§1 — 2, 10-20-2008]

- A. *Purpose.* The purpose of this Section is to provide procedures under which any construction or alteration of a building or structure and any new use of land or a building shall be cleared with the Community Development Department to make certain that it is in compliance with this Unified Development Code. The intent is to coordinate procedures and permits established in the Building Code, and administered by the Building Inspector, with the review and approval by the Director of Community Development to avoid unnecessary administrative duplication.
- B. *Excavation Permit.* No person shall make or cause to be made any excavation in any public right-of-way unless the owner, contractor or the duly authorized agent of either shall have first applied for and received from the Building Inspector an excavation permit. See Chapter 510, Article II of the Municipal Code of Kearney.
- C. *Building Permit.*
1. *Authority.* No building, structure or parking lot shall be constructed, erected, altered or remodeled nor shall any such work be commenced upon any lands zoned under these regulations unless the owner, contractor or the duly authorized agent of either shall have first applied for and received from the Building Inspector a building permit. Except for a parking lot, a building permit shall not be required for construction not exceeding eighteen (18) inches in height which is located in the side or rear yard. See Chapter 500, Article I Building Codes and Building Permits of the Municipal Code of Kearney.
 2. *Conformance with Unified Development Code.* No building permit shall be issued for any building or structure unless the same be in conformity in every respect with all the provisions of this Unified Development Code unless otherwise set out.
 - a. *Concept plan/site plan required.* A concept plan and/or site plan shall accompany all building permits in accordance with Section 405.135, Rezoning to Planned Zoning District or Section 405.140, Site Plan Requirements.
 - b. *Site plan exceptions.*
 - (1) *New one- and two-family structures.* An application for single-family and duplex building permits shall include a plot plan of the site to be built upon. The plot plan shall be sealed by a land surveyor licensed in the State of Missouri. The following information must be shown on the plot plan and will be reviewed prior to the issuance of a building permit:
 - (a). Complete legal description and lot dimensions of the site.
 - (b). Scale of the drawing (not to exceed one (1) inch equals thirty (30) feet).
 - (c). Location and complete dimensions of the proposed building foundation, including dimensions to all property lines (dimensions shall be perpendicular to the property line). All front, side and rear yards, setbacks and building lines must be shown.
 - (d). If any portion of the site is located within the FEMA 100-year floodplain, the elevation of the low opening must be shown.
 - (e). **The locations of easements, both public and private size and location of all new construction and all existing structures on the site including but not limited to public or private easements, distances from lot lines, established street grades, existing and proposed finished grades, drainage swales and proposed storm water drainage flow patterns for the site;**

- (f). Flow patterns for areas five (5) feet adjacent to property lines of the site;
 - (g). Proposed finished grades and storm water drainage flow patterns for the site shall conform to the Master Drainage Plan for the development unless otherwise approved by the Building Official;
 - (h). All decks, balconies, overhangs, or other building protrusions shall be indicated and dimensioned.
 - (i). In the case of partial demolitions, the *plot* plan shall show all construction to be demolished and the location and size of all existing structures and construction that are to remain on the site of the *plot*.
 - (j). (f) Additional information as may be required to properly review the proposed plot plan. **The Building Official is authorized to waive or modify the requirement for a plot plan when the application for permit is for alteration or repair and does not affect the exterior features of the building.**
3. *Filing procedure.* Applications for building permits shall be filed with Building Inspector upon forms prescribed setting forth the legal description of the lot, tract or parcel of land, together with a general description of the building or structure to be constructed, erected or altered thereon, including the size and shape, square foot area, principal material of construction, location of the building or structure upon the lot, tract or parcel and the intended use.

A complete application for a building permit includes approval of all requirements of these Unified Development Code regulations, including a plot plan and a site plan. In addition, the applicant shall pay any fees required by the Board of Aldermen.

Kearney, MO 64060

Subject: DONATION OF SEWER EASEMENT, West Creek Interceptor

Dear Ken and Judy:

The City appreciates your donation of easements to accommodate the construction of the West Creek Interceptor, Phase II.

As part of our agreement, the City will connect your residence to sewer at no cost to you (the construction cost and connection fee shall be waived) and will provide a 2nd sewer stub for future sewer service to your building on the west side of the property.

We will require you to voluntarily annex your property into the City in order for us to be able to provide sewer service to you. We will be preparing a petition for you to sign to commence this process. Once annexed, you will be entitled to receive sewer service at the same monthly sewer rates as any other Kearney city resident.

Thank you again for your support of the West Creek Sewer Interceptor project.

Sincerely,

Jim Eldridge
City Administrator

Hello Mike: The City will be extending the West Creek Interceptor from its present location on the old Wilkerson farm at N.E. 144th Street north to Hills of Westwood, retiring the lift stations in Oakwood and Hills of Westwood.

We are crossing Nation Road at Kenneth and Judy Fry's property, and will be offering to provide them with sewer service as a part of our negotiation for easement. The Fry's will be required to voluntarily annex into the City in order to be eligible for sewer service.

This annexation would be an exception to the District/City agreement concerning our territorial service boundaries. Therefore, I am requesting a waiver from that agreement. Fry's will remain a District 6 water customer for the foreseeable future.

Attached is our letter of understanding with Ken and Judy. Also attached are the West Creek Phase 2 plans.

Thank you and the District Board for your consideration in this matter. As always, I would be happy to meet with you or your Board to discuss further.

As members of the Kearney community, we feel so blessed to be surrounded by dedicated and generous leaders, volunteers, and citizens. All individuals who join together to provide those in need with nourishment, respect, and kindness.

As a locally owned, family run business, we know we would be lost without the loyalty of Kearney. From the inception of our company we have always felt fully supported. It is our belief that when you are given great blessings it is important to build a longer table, instead of a higher fence. Thus, on behalf of the Cosentino Family we are honored to enclose a \$3,000.00 check in an effort to support the Mayor's Christmas Tree Fund. We trust your leadership to place our gift in the hands of those who need it most, as you know the members of your community best.

Best wishes for a happy and safe holiday season from the Cosentino Family!

RESOLUTION NO. 2018101

A RESOLUTION SUPPORTING THE 19TH STREET INTERCHANGE PROJECT

WHEREAS, the City of Kearney has for many years pursued construction of a second interchange, proposed to be located at the intersection of Interstate 35 and 19th Street, to serve residents and businesses in the area; and

WHEREAS, a second interchange will increase safety and emergency response for fire, ambulance, and police; and

WHEREAS, a second interchange and accompanying road improvements will relieve congestion and improve traffic flow on 92 Highway; improve traffic circulation and access to schools and homes; and will make our community more convenient to access for residents and visitors; and

WHEREAS, a second interchange will promote economic development and business opportunity; and

WHEREAS, the Kearney Board of Aldermen have proposed to fund interchange improvements through a 1% sales tax initiative for issuance of general obligation funds to be voted on by Kearney's registered voters on April 3, 2018;

NOW, THEREFORE, BE IT RESOLVED BY THE KEARNEY FIRE AND RESCUE PROTECTION DISTRICT, AS FOLLOWS:

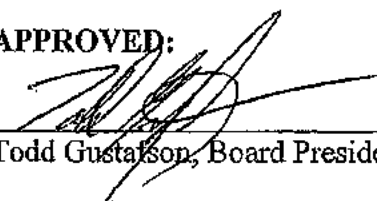

Section 1. The Kearney Fire and Rescue Protection District supports the City's effort to construct a new interchange at 19th Street & Interstate 35;

Section 2. The Kearney Fire and Rescue Protection District encourages Kearney residents to exercise their right to vote on April 3, 2018.

Section 3. This resolution shall be effective immediately upon passage.

PASSED AND RESOLVED BY THE BOARD THIS 19th DAY OF FEBRUARY, 2018.

APPROVED:

Todd Gustafson, Board President

ATTEST:

The City of Kearney

100 E. Washington
P.O. Box 797
Kearney, MO 64060

M-6

February 26, 2018

State of Missouri
Division of Alcohol and Tobacco
1738 E. Elm Street, Lower Level
Jefferson City, MO 65102

Reference: Chris Kliever, CK Scribbs Temporary Liquor License
111 East Washington, Kearney, Missouri 64060
CKscribbs@gmail.com, Occupation License #3950

To Whom This May Concern:

The City of Kearney does not have a temporary liquor license category pertaining to the proposed event scheduled for Saturday, March 17, 8pm to 10 pm.

It is assumed any business qualified to make such sales will secure proper licenses from the State Division of Liquor Control, and the City of Kearney is aware CK Scribbs operates an art studio/gallery in this location and holds a valid Occupation License.

Respectfully,

Jim Eldridge
City Administrator/Clerk

February 25, 2018

The Honorable Dan Hegeman
Missouri State Senate
201 W. Capitol Ave. Room 319
Jefferson City, MO 65101

Dear Senator Hegeman,

In the past, Kearney officials (including myself) have communicated with our federal delegation about our opposition to federal proposals to increase maximum truck weights and sizes. Although this has typically been an issue at the federal level, there have been many proposals at the state level that would raise maximum truck weights. We wish to reiterate our strong opposition to higher truck weights, in conjunction with many other cities and towns throughout Missouri. We hope that should any bill of such nature be presented in Jefferson City, that we can count on your opposition.

As you know, I-35 comes through our community and with it comes a large volume of truck traffic. This traffic regularly uses SH-33 to bypass the weight scales and passes a couple of schools on this route. The USDOT study completed last year clearly demonstrated that heavier trucks are associated with higher crash rates and more stress on brakes, tires and other truck safety components. We are very concerned about what a statewide increase in either weight would do to communities like Kearney.

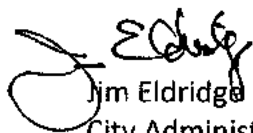

In addition to serious safety concerns, we know that increasing the weight of trucks will only exaggerate the structural problems with our area roads and bridges – which, in turn, costs our taxpayers. In our current economy, the citizens of Kearney, as well as our State, cannot afford such costly repairs.

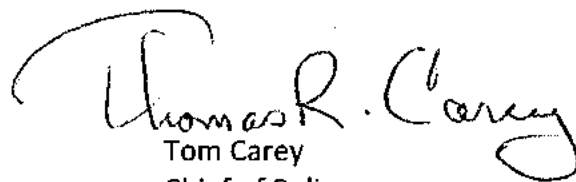

Our opposition would apply equally to any proposals for higher truck weights pitched as a “pilot project”. These plans, which have been presented in other states, are termed for 15 years, defying the very definition of a pilot project. This would only result in more accidents on the road and skyrocketing costs for road repair.

Thank you for your attention to this issue and if you have any questions, please feel free to contact us.

Sincerely,

Bill Dane
Mayor

Jim Eldridge
City Administrator
